YALE BEATS AMHERST, HARVARD BEATS WILLIAMSBURG, CORNELL WINS FROM HAMILTON

Neither of the Vanquished Teams Was Able to Score.

NEW HAVEN, Conn., Sept. 30.—Near five thousand people saw Yale open her football season in a lively but loosely played game with Amherst at the Yale field this afternoon.

Yale's victory, by the figures 23 to 0, fairly shows the difference between the two elevens. As compared with the score of 34 to 0 made against Amherst last year, it does not indicate that Yale is weaker, but that Amherst is stronger, and has been more skillfully trained than usual by former Captain Fred Murphy, of Brown University, its present coach.

Three of Yale's touchdowns were made in the first half, Dupee making two, Kiefer and Thomas one each. Brown kicked one goal and missed one. Sharpe kicked one goal.

During the thirty-five minutes of actual play two members of the Yale team were injured. Sharpe, Yale's left half back, sustained a deep cut over his left eye, and his injury will keep him out of action for two weeks.

Anderson, the Amherst quarter back, was kept in the game some time after he was injured. He finally was taken down at the bottom of a sharp scrimmage, badly used up. He lay senseless for several minutes, and had finally to be carried off the field.

Captain McBride, of Yale, watched the play from the side line, putting a total of eighteen men into the game.

Amherst's favorite play was the smash at Yale's tackle. They were successful as far as hitting down the Yale players were concerned, but they compelled both Stillman and Francis to retire exhausted.

Husted, brother of Gordon Brown, the Yale guard for two years, was given a trial at guard when Leary retired. Young Brown has been at Yale only two days. His record of being taken immediately to the "Varsity" is a new one at Yale.

Young Brown fully sustained his brilliant preparatory school record made at the Groton School. His brother, Gordon Brown, captained the eleven in the absence of Captain McBride.

Amherst did not get inside of Yale's forward line during the game. Coach Murphy, of Amherst, is convinced that their team was unjustly deprived of a touchdown. When Dupee carried the ball through the center for the first touchdown, he fumbled, and Balfantine dashed out of the crowd, running the entire length of the field, and kicking the ball into the end zone.

Before Fitzgerald decided that the ball was down before Dupee lost possession of it, Coach Murphy decided that Dupee did not carry the ball across the line at all; that Balfantine scored a foot before going out.

Empire Morley was appealed to, and he sustained the referee's decision.

Yale used no difficult plays, and, with
